

Drug Abuse Prevention Workshop at Shri Krishna Institute of Public Administration, Ranchi

Birsa Seva Sansthan, in collaboration with Administrative Training Institute (ATI), Ranchi, organized a workshop on **“Drug Addiction: A Pandemic Problem and Its Eradication”** at the Shri Krishna Institute of Public Administration.

The event was graced by the Hon’ble Vice Chancellor of Ranchi University and witnessed participation from senior bureaucrats, state government officials, policymakers, academic leaders, social researchers, civil society representatives, and scholars from various universities.

The workshop served as a meaningful platform for dialogue and strategy building to address the growing challenge of drug abuse, with a focus on prevention, policy response, and community-based action.
