

## Road Safety Awareness Programme

### *Promoting Responsible Driving and Safer Roads*

**Birsa Seva Sansthan**, in collaboration with the **Ministry of Road Transport & Highways**, organized a comprehensive **Road Safety Awareness Programme** aimed at promoting safer road practices and responsible driving behavior. The event was graced by the **Hon'ble Minister of Road & Transport, Government of Jharkhand**, and witnessed enthusiastic participation from diverse community segments.

The initiative included a series of impactful field activities such as **street plays**, **community sensitization drives**, and **educational competitions** on road safety for **youth and school students**. These efforts were designed to foster a culture of awareness, accountability, and precaution on roads—ultimately contributing to the reduction of accidents and saving lives.
