

## Seminar on "Drug: A Social Problem and Its Prevention"

### *Addressing Substance Abuse Through Collective Action*

**Birsa Seva Sansthan** organized a seminar titled "**Drug: A Social Problem and Its Prevention**" at *Satya Bharti Hall*, Ranchi. The event was graced by **Shri B. Kapthuama, Regional Development Commissioner**, and brought together a diverse group of stakeholders including senior government officials, faculty members from Ranchi University, social researchers, academicians, and community leaders.

The seminar served as a platform to raise awareness about the growing menace of drug abuse and to emphasize the need for a unified, community-based approach to prevention and rehabilitation. Discussions focused on identifying root causes, sharing best practices, and strengthening policy and grassroots interventions to combat substance abuse effectively.
